

The partners and staff
of
Blackburn Dental Group
take the opportunity
to wish everyone
*“Compliments of
the Season”*

It has been a busy year for us, with our newly renovated premises attracting much favourable comment. We are now ready to commence work on the exterior of the building, so we would like to apologise in advance, for any inconvenience that we may cause.

Our website, which was re-launched mid year has proved to be a useful and effective information resource for patients new to the practice, as well as those already established. We would urge everyone to take the opportunity to browse the site.

The cycle of life goes on....Hygienist, Rebecca Harris, has recently gone on maternity leave, just as we welcome back Francesca O'Connor from leave after the birth of her first child. Nat Baker, one of our dental assistants, has graduated from university and leaves to take up a marketing position with dental supply company, Amalgadent.

For 2007 Will and Tony were occupied with organising the Sixth Biennial Conference of the Australian Osseointegration Society during October, here in Melbourne. The conference attracted record numbers of delegates from Australia and overseas, and the baton has been passed to Queensland who are hosting the 2009 conference on the Gold Coast. The success of the Conference will ensure that we are able to fund further education projects in implant dentistry, especially in some exciting innovative projects via webcasting, to some more remote areas of Australia and New Zealand.

At this time of the year, our thoughts turn to the less fortunate members of our community. In lieu of Christmas gifts this year, our staff have decided to donate to the organisation—Aussie Helpers, a charity which helps out our struggling drought affected farmers.

We shall be closed Christmas Day, Boxing Day and New Years day, and will offer limited services on Monday December 24th. Thank you to everyone for your ongoing support and we wish you compliments of the season.

Best wishes
Jenny, Will and Tony and staff
