NEWSLETTER

October 2008

2008 has been a busy year for us, with our newly renovated premises attracting much favourable comment. The exterior of the building has been given a new lease of life with its eye-catching colour scheme. The brains behind the makeover is television set designer Tel Stolfo.

Our website continues to be a useful and effective information resource for patients new to the practice, as well as those already established. We would urge everyone to take the opportunity to browse the site. As well as generic dental information there is some specific advice for our patients involved in ongoing care.

The cycle of life goes on.... Hygienist, Rebecca Harris, has recently returned after maternity leave, while hygienist Liza Millard gave birth to a baby boy "Flynn"(September 2008). Matrimony is also in the air, with Marni (November 08) and Francesca (February 09) both planning their weddings. We are fortunate to enjoy the support of our loyal and long serving staff members, ensuring that there are always friendly and familiar faces when you visit the practice.

As we approach Christmas our thoughts turn toward those less fortunate. This year, dentists and staff have decided to support the work of two of our patients who are involved in the support and care of Burmese refugees in both Malaysia and here in Melbourne. This is in addition to our ongoing involvement and support of the Rotary Australia-Vietnam Community Dental health project.

We shall be closed Christmas Day, Boxing Day and New Years day, and will offer limited services on Wednesday December 24th.

Thank you to everyone for your ongoing support and we wish you compliments of the season.

Best wishes

Jenny, Will and Tony and staff
